

Stephanie Bauer for Ward 14 Alderwoman

Dear Neighbor,

From my office on the corner of Grand Avenue and Ferry Street, I have a front row view of the heart of Fair Haven. Because I feel driven to continue the good work by community leaders, and I see the work that remains to be done.

As your Alderwoman, I will work with the community and the city to keep our ward safe. I will support existing community organizations and neighborhood associations, and I will work to put more police officers on the street. I will also be an advocate for safe streets and will ensure that the benefits of robust traffic calming are brought home to Fair Haven.

As your Alderwoman, I will fight for a vibrant Fair Haven by supporting economic development along the Grand Avenue corridor, as well as by working with programs like ROOF to lessen the impact of the foreclosure crisis on our community.

And as your Alderwoman, I will be a forceful advocate for high-quality public education. Our children need a good education if they are to compete in today's global economy. I will support meaningful school reform that will make New Haven's youth more competitive and will close the achievement gap between white and minority students.

I look forward to seeing you around the Ward and talking about our vision for a better, stronger Ward 14.

Sincerely,
Stephanie Bauer
